MEMORANDUM

SUBJECT: Fansteel Metals, Muskogee, Oklahoma

FROM: Robert L. Deese, Acting Chief  
Superfund Site Assessment Section (6H-ES)

TO: Guanita Reitor, Chief  
Oversight Section (6H-HO)

My staff is currently reviewing the Superfund and RCRA files for Fansteel Metals, in order to determine it's status and to identify any need for additional action under CERCLA. We would appreciate it if your staff would review any available information for this site and confirm it's current RCRA status.

If you have any questions please contact David Cook at 655-6740.
